

RFI no. 608/2025

Request for information (RFI) about innovative acoustic solutions for metro stations for NTA

1. NTA - Metropolitan Mass Transit System Ltd. (hereinafter: "NTA") invites suppliers with proven experience in the production of acoustic absorption materials and finishes to provide relevant information regarding innovative acoustic solutions for metro stations, all as detailed in the RFI documents (hereinafter: "RFI").
2. Anyone who considers himself suitable for providing information to NTA is invited to submit a response in accordance with the instructions set before it.
3. The RFI documents can be produced by downloading them from NTA's website at: www.nta.co.il.
4. The respondents may request from NTA **clarifications regarding the RFI by November 25, 2025, at 13:00**. Clarifications as aforesaid shall be provided in writing, by email to Tender1@nta.co.il by the foregoing date.
5. **The response to the RFI shall be submitted by December 23, 2025 at 13:00**, in a WORD file, by mail to Tender1@nta.co.il.
6. It is clarified that this proceeding does not constitute a tender, an invitation to bid or a proposal, and does not constitute a representation, promise or undertaking on behalf of NTA or the state of Israel towards its respondents.
7. It is clarified that in the event of any contradiction between the provisions of this Notice and the RFIs, the provisions of the RFI shall prevail over anything stated in this Notice.
8. The defined terms in this Notice shall have the meaning given to them in the Request.

sincerely,

NTA - Metropolitan Mass Transit System Ltd.
