**Pre-Qualification No. 589/2025 – Invitation to Pre-Qualify with respect to Participation in
Future Tenders for the Execution of Infra #1 Works of the Tel Aviv Metropolitan Metro
Lines (the “Invitation”)**

Addendum No. 13

Pursuant to the Invitation issued on November 10, 2025, and in accordance with the provisions thereof, the Tender Committee hereby issues this Addendum No. 13.

The attention of all Participants is drawn to the following clarifications, amendments and/or answers to questions regarding the Pre-Qualification Documents.

The issuance of this Addendum does not derogate from any of NTA's or the Tender Committee's rights and prerogatives under the Invitation Documents or Law.

All capitalized terms used and not defined herein shall have the meaning ascribed to such terms in the Tender Documents.

NTA – Metropolitan Mass Transit System

ADDENDUM NO. 13**AMENDMENTS, CLARIFICATIONS AND MODIFICATIONS TO THE PRE-QUALIFICATION DOCUMENTS**

Questions and Answers			Reference
Invitation			
1.	Q:	The Tender Committee was requested to postpone the PreQualification Submission Date.	Section 1.7 (Anticipated Schedule)
	A:	The Pre-Qualification Submission Date is hereby postponed to June 1 st , 2026, no later than 14:00 (2p.m.) local time.	
2.	Q:	The Tender Committee was requested to: (a) permit a Participant to submit the documents required to demonstrate Mining Experience up to two (2) months following the Pre-Qualification Submission Date; or alternatively – (b) permit a Participating Entity which demonstrated Tunneling Experience and C&C Experience, to demonstrate Mining Experience at any future time.	Section 4.4 (Underground Structure: Mined Experience)
	A:	The Tender Committee rejects the requests. Without derogating from the foregoing, the attention of the Participants is drawn to the provisions of Section 1.5 (Update Process) of the Invitation (including Section 1.5.4).	

3.	The attention of the Participants is drawn to the following amendments to Sections 4.2.2, 4.3.4 and 4.4.2 of the Invitation, introduced to align the provisions of the Invitation with the requirements of the Tender Regulations (additions marked blue with underline; amendments introduced in previous Addenda are not marked). ----- 4.2.2 Contractor Registration and Certification. Without derogating from the Tender Committee’s rights and discretion pursuant to the Pre-Qualification Documents, the Tender Documents and Law, it is expected that the following requirements will apply during the Tender Process: The Demonstrating Entity presented for the purpose of demonstrating compliance with the provisions of this Section 4.2 (Experience in the Construction of TBM Tunnels) <u>or its Wholly Owned Subsidiary which will participate in the specific Tender in accordance with the provisions of Section 1.6.3 above</u> (as applicable) must be (on the bid submission date of any future Tender in which it participates) a “registered contractor” pursuant to the Registration of Contractors Law, having at least one (1) of the following classification(s): (i) field 200 (roads, infrastructures and development), classification C-5 (unlimited) [200 5-λ]; or (ii) field 300 (bridges), classification C-5 (unlimited) [300 5-λ]]. Notwithstanding the foregoing, if the Demonstrating Entity <u>or its Wholly Owned Subsidiary</u> is subject to the provisions of Article 14A of the Registration of Contractors Law it must obtain, by the bid submission date of any future Tender in which it participates, an exemption from the registration requirements of this Section 4.2.2 in accordance with the provisions of Article 14A of the Registration of Contractors Law. ----- 4.3.4 Contractor Registration and Certification. Without derogating from the Tender Committee’s rights and discretion pursuant to the Pre-Qualification Documents, the Tender Documents and Law, it is expected that the following requirements will apply during the Tender Process: The Demonstrating Entity presented for the purpose of demonstrating compliance with the provisions of this Section 4.3 (Underground Structures: Cut & Cover Experience) <u>or its Wholly Owned Subsidiary which will participate in the specific Tender in accordance with the provisions of Section 1.6.3 above</u> (as applicable) must be (on the bid submission date of any future Tender in which it participates) a “registered contractor” pursuant to the Registration of Contractors for Construction Engineering Works Law, 5729-	Sections 4.2.2, 4.3.4 and 4.4.2 (Contractor Registration and Certification)
