

# Changes in Public Transportation Routes around Allenby and King George Streets, Tel Aviv-Yafo

Construction works performed by NTA to establish the Light Rail's Purple Line continue to advance. Therefore, starting from Friday, August 2nd, 2024,

The following bus-line routes will be changed:

# Dear passengers

Starting from Friday, August 2nd, 2024,

**Allenby Street will be closed to public transportation in the section between Yona HaNavi St. and King George St.,**

**This brochure specifies all the changes in bus routes and traffic alternative roads surrounding the construction works.**

The Purple Line will connect the Eastern Metropolitan Area – Or Yehuda, Yehud-Monosson, Kiryat Ono, Sheba Medical Center and Bar-Ilan University with the heart of Tel Aviv-Yafo, via Ramat Gan and Giv'atayim.

This line will intersect with the Green Line at the Har Zion and Arlozorob West stations, and intersect with the Red Line at the Allenby and Arlozorov stations in Tel Aviv-Yafo.

In addition to the Purple Line, a connection with Israel Rail is planned at Savidor Central Railway Station, the central bus station, and the Arlozorov bus terminal in Tel Aviv-Yafo, as well as the Aluf Sade bus terminal, in Ramat Gan.

**We shall go through this – together!**
