

RFI no. 608/2025

Request for information (RFI) regarding innovative acoustic solutions for metro stations for NTA.

1. NTA - Metropolitan Mass Transit System Ltd. (hereinafter: "NTA") hereby notifies that the Tender Committee has decided to postpone the deadlines published in the RFI document (hereinafter: "RFI"), as follows: the deadline for submitting **clarification questions** regarding the RFI is postponed to **December 10, 2025 at 13:00**, and the deadline for submitting the **responses to the RFI** is postponed to **January 8, 2026 at 13:00**.
2. For the full details regarding this update, please see Addendum No. 1, which was published on NTA's website at: www.nta.co.il.
3. It is hereby clarified that it is the responsibility of the participants to carefully review the Clarification Notice and remain updated on any further changes or updates.
4. All clarifications and/or changes and/or amendments specified in this Clarification Notice shall be deemed an integral part of the RFI document, superseding any contradictory statements previously given.
5. Any other interpretations, whether conveyed orally, in writing, or through any other means on behalf of NTA, the Tender Committee, or any other party, shall not be considered a modification of the RFI document, unless expressly stated in this Clarification Notice or in any subsequent Clarification Notices issued by NTA.
6. The aforementioned shall not modify, subtract from, or supersede the RFI documents unless explicitly stated herein.

sincerely,

NTA - Metropolitan Mass Transit System Ltd.
